Just received this email from Industrial Technology magazine.

Some praise indeed! Well done!

Cheers

Dear Simon and Steve,

I thought I'd just let you know that the Festo front cover, November 2008 has received many compliments. All of the praise has been unprompted and totally honest.

I've not known a Front Cover to ever receive so much admiration - which comes from not only your competitors but also from similar blue chip manufacturers.

Well done, a good one...

Best and warmest regards

Mark
